PRELIMINARY AMENDMENT

Dear Sir:

Prior to the calculation of the filing fee and examination of the above-referenced U.S. patent application, please amend the application as follows:

Please cancel claims 1 to 55, without prejudice, and substitute the following new claims 56 to 110 therefor:

-- 56. A process for the production of a component consisting of a fiber reinforced material, wherein:

a liquid heat curing resin is applied to a semi-finished fiber article via vacuum pressure, and

the vacuum pressure is controlled together with temperature such that during application of the liquid resin, the boiling
